Do you have brush piles on your property after preparing your defensible space?
Sign Up Now!

The chipping
program is
dependent on
funding
availability.

How to get chipping:

1. Go to our website www.firesafesdcounty.org
2. Click on tab labeled "Programs", "NO COST CHIPPING".
3. Click on "Sign Up" complete all questions on the form and then click "SUBMIT".
 - Piles must be ready prior to submitting application.
 - Material will not be chipped until the form has been received.
 - Scheduling is subject to many factors including: equipment uptime, weather, personnel, geographic grouping of chipping requests, funding and demand.

Preparing for the chipping crew's arrival:

- Brush that has been cleared or stacked with heavy equipment will not be chipped.
- Material including but not limited to palm, succulents, poison oak, and bamboo will not be chipped.
- Old, matted sticks are not be eligible for chipping.
- Brush must be free of mud, rocks, and other debris.
- Maximum six-inch diameter on cut limbs.
- Piles must be stacked no more than six feet high, and have easy chipper access. Cut ends must face the chipper access area.
- Piles must be fully accessible for chipping equipment and crew.
- Chipped material is left on-site, not hauled away.
- Donations are appreciated to continue offering this no-cost service to the public.

In partnership with:

The No-Cost Chipping Program is administered by the Resource Conservation District of Greater San Diego County in Partnership with the Fire Safe Council of San Diego County. Funding provided by a grant from AT&T, SDG&E and additional funding from the Cooperative Fire Program of the U.S. Forest Service, Department of Agriculture, Pacific Southwest Region, through the California Fire Safe Council. In accordance with Federal Law and U.S. Department of Agriculture Policy, this institution is prohibited from discrimination on the basis of race, color, national origin, sex, age or disability.

The FSCSDC is a 501(c)3 Nonprofit; tax-deductible donations accepted.
