FIRE STATION OPEN HOUSE

North County Fire Officials will dedicate the newly remodeled fire station during an open house at 10 a.m. on Saturday, November 8 2008. Station 3, which is located at 4157 Olive Hill Road, will offer ongoing tours of the Station until 2:00 p.m. Light refreshment will be provided to attendees.

The Station previously was a one-bedroom house. The Station remodel incorporates the newer building codes and it now can accommodate staffing for up to five firefighters. Currently, the Station houses a paramedic fire engine and ambulance. The remodel design also incorporates fire and drought resistive plants, which serve as a model of landscaping methods that assist with survivability in wildfires.

If you have never been to Station 3, or if you would like to see the newer types of construction or landscape, we welcome you to join us at our Open House.
